Problem

- Want to trade
- Don't have time to research

- What if I told you, there's a way to trade without doing research?

There isn't,
BUT...

- Who should you listen to when making trades?

Hell no

- Listen to the people who work at the companies you're wanting to trade.

Tradie

- All trades made by insiders have to be filed.
- Shows all of the insider trades of a company that have happened recently (CEO, CFO, Dir, 10%, etc.)
- Gives you the biggest three insider trades of the day.
- Displays trading charts of specific ticker/stock
- Gives a breakdown on company, and whether or not this stock is promising

Competitors

The logo for 'dub' features the word in a bold, lowercase, sans-serif font. The letter 'd' is stylized with a vertical bar on its right side, creating a unique graphic element. The text is orange and set against a black square background.
